

Independent Financial Audit Report

Company: Beta Analytics
Audit ID: audit_37bb2f20
Audit Date: 2026-02-09T18:54:45Z
Overall Status: COMPLETED
Risk Level: MEDIUM

Executive Summary

The audit of Beta Analytics involved a total of 8 documents, out of which 6 were flagged for issues related to missing currency information, and 1 document failed due to unsupported type. The overall risk level is assessed as medium, primarily due to the significant number of flagged documents that require attention to ensure compliance and accuracy.
